November 5, 2001

Dear Harold and Lil,

Just a note to see if it is okay to stop by about 2:00 - 2:15 on Sunday, November 18 on our way back from Washington, D.C. We could only stay about an hour, but would like to see you both while we are there.

Tom and I are presenting at the National Council for the Social Studies annual meeting for the seventh time in the last nine years and were excited when it was announced to be in Washington.

We have both been busy with our teaching and other activities. The weather has been quite mild but is gradually turning colder. Leaves are about half down.

I hope this finds you both comfortable and able to get around as you need.

Take care.

Sincerely,

Dave
